

The Highland Fling – A Sample Itinerary

To give you some further ideas as to what we can offer take a look at our experiential Scottish trip we have called ‘The Highland Fling’ – taking your guests on an adventure of a lifetime from their office to the highlands of Scotland. Incentive Travel at it’s finest

DAY 1

After transferring from Edinburgh airport, guests find themselves at a private castle in a beautiful and inspiring part of the Scottish highlands for team building and acclimatisation.

Following a light lunch guests take their pick from the activities on offer, which include golf and exclusive tours of the castle. Guests are then taken to a hotel in the highlands.

A relaxing dinner is served in a private room, freshly prepared from locally sourced ingredients while highland dancers provide the entertainment. Before retiring guests can enjoy a wee dram of Whisky guided by an expert.

DAY 2

Guests get to grips with quad biking, fishing and clay pigeon shooting before travelling in Land Rover convoy to a mountain top for a scenic lunch.

Highland games provide robust challenges in the afternoon before guests discover one of Edinburgh’s finest Whisky distilleries. As the evening draws in guests head to a rustic restaurant for dinner and a lively ceilidh.

DAY 3

The inspiring capital of Scotland is the destination today, beginning with a clan treasure hunt and an option to visit Edinburgh Castle.

A pub lunch provides a warm Scottish welcome before the group heads off on a cycling tour through Edinburgh's medieval Old Town and the Royal Mile. For the stout-hearted there is a ghost tour in an underground vault before dinner.

DAY 4

Having sampled the bustle of Edinburgh guests are free this morning to pursue their own interests before meeting for lunch in a modern restaurant with a friendly atmosphere. Guests will then transfer to the airport for their return flight home.
